Partners and organisations are working together to review parking issues outside schools to greater understand and address the problems schools, parents and the wider community experience.</p> <p>Partners would like to invite you as a parent or carer, school or local resident to participate in a (5 minute) school parking survey. All responses, which will remain anonymous, will be analysed and used by partners to identify the specific issues and safety concerns that arise from it. Feedback will help focus efforts, and shape future initiatives to address unsafe and inconsiderate school parking, helping to make the roads outside and around Warwickshire schools safer.</p> <p>To take part in the surveys follow the links:</p> <p>Headteachers: <a href="https://forms.office.com/r/acaPmtW5R3">https://forms.office.com/r/acaPmtW5R3</a>  Parents/ Carers: <a href="https://forms.office.com/r/jeWYQCC50S">https://forms.office.com/r/jeWYQCC50S</a>  Residents: <a href="https://forms.office.com/r/fcKxv1W8Hd">https://forms.office.com/r/fcKxv1W8Hd</a></p> <p><b>County council supports businesses with £140 million injection to boost local economy</b></p> <p>Warwickshire County Council has agreed the significant new fund to stimulate the local</p>	

economy, create jobs, support local businesses and attract investment into the county. Warwickshire's economy has a great track record of growth and excellent fundamentals.

The investment is a fundamental part of the Council's COVID-19 Recovery Plan - and together with other support from the Council - is expected to create over 3,000 new jobs and safeguard many thousands more.

The first programme to open will be the Business Investment Growth (BIG) fund aimed at medium-sized and supply chain companies with a good track record. The funding will be targeted at businesses looking to expand as well as companies looking to make Warwickshire the place where they do business.

Further updates on the scheme, including when applications can be made can be found at [www.warwickshire.gov.uk/wrif](http://www.warwickshire.gov.uk/wrif)

### **Redesigned SEND Local Offer to help Warwickshire families access support**

Improvements and updates have been made to an online resource for parents and carers in Warwickshire. This resource provides information and support for children and young people with special educational needs and disability (SEND). It is called the SEND Local Offer and Warwickshire County Council has been working hard to improve its SEND Local Offer to ensure that families with SEND can find the information they need.

Every local authority in England must produce and maintain a Local Offer. It brings together information about the local services and support available across education, health, and social care for families with children and young people aged 0 to 25 who have special educational needs and/or disabilities.

### **Have your say on preschool health services in Warwickshire**

Parents-to-be and families with young children in Warwickshire are invited to share their views and experiences of the 0-5 Public Health Nursing Service to help inform future support.

This service supports parents from pregnancy to the time their child starts school. It includes both:

- Health Visiting, which works with every family with a child of pre-school age, and typically involves five contacts with the health visiting team from the antenatal period (28 weeks) to when the child reaches two and a half years old
- Family Nurse Partnership (FNP), which works with first time young mothers and families to provide the support they need.

The 0-5 Public Health Nursing Service aims to build the confidence of parents, promote child development, and strengthen parent, infant and family health and wellbeing. It works with families who all have different levels of need, to get them the right help at the right time.

The council wants to hear about the experiences of people who have used any element of the service and their feedback will be used to review the service and shape the future offer.

A short survey to gather these views is available at [www.warwickshire.gov.uk/ask](http://www.warwickshire.gov.uk/ask) or [bit.ly/2TowM3D](http://bit.ly/2TowM3D) until 15 September 2021.
